

March 10, 2017

SB 80 (Steube) will be considered by the **Senate Judiciary Committee** on Tuesday, March 14 at 2:00 p.m.

Please make phone calls to Senators on the Senate Judiciary Committee and Urge them to Support SB 80. Please also contact these Senators while they are at home in the district this weekend!

Message to Senators:

SB 80 would fix the problem cities and other governmental entities are experiencing from opportunistic individuals who are exploiting Florida's public records law.

This legislation is needed to save taxpayer dollars.

These schemes are designed to do nothing more than raid public treasuries!

Please contact members of the Senate Judiciary Committee and urge them to support SB 80!
