## FLORIDA LEAGUE OF CITIES Youth Council Community Service Contest

Local issues deserve local solutions.  
Why? Because **WE LIVE LOCAL!**

**O**ur future leaders are taking action in their hometowns to address local needs. Community service instills a sense of pride and ownership in Florida's youngest residents. When youth are empowered to take local action, they build leadership skills that will carry them far into the future.

The League wants to help showcase these efforts through its annual community service contest.

### **OVERVIEW**

Youth councils are invited to submit current or new youth council projects that address a local need with local action. Maybe it's organizing a neighborhood clean-up, hosting an educational event about Home Rule, organizing a food drive to benefit the elderly, establishing a community garden or building a little free library.

This year's contest asks Youth Councils to create a 2-5 minute video showcasing **youth in action** addressing a local need.

**The deadline to enter is March 13, 2019, at 5:00 p.m.**

Winners will be announced in May 2019.
