2020

The 2020 Census is DIFFERENT

Optimizing Self-Response for 2020 Census

- We are making it easier than ever before for people to respond to the Census
- In previous censuses, the **primary method** of responding to the census was to receive a questionnaire in the mail...complete it and mail it back
- **HOWEVER, for the 2020 Census, the INTERNET is the primary method** for households to self respond

Optimizing Self-Response for 2020 Census

- **Secondary** ways of responding to the 2020 Census
 - **Toll-free number**
 - **At any time, people can call our Census Questionnaire Assistance centers and get help completing their Census on the Internet...OR**
 - **Households can complete their Census with one of our staff over the telephone**
 - **Traditional questionnaire** (will be automatically sent to households that have not responded by April 8)
 - **Non Response Follow Up operation**
 - Enumerators visit the household to conduct the interview

WHAT WE WILL SEND IN THE MAIL

On or between	You'll receive:
March 12-20	An invitation to respond online to the 2020 Census. (Some households will also receive paper questionnaires.)
March 16-24	A reminder letter.
	If you haven't responded yet:
March 26-April 3	A reminder postcard.
April 8-16	A reminder letter and paper questionnaire.
April 20-27	A final reminder postcard before we follow up in person.

We understand you might miss our initial letter in the mail.

- Every household that hasn't already responded will receive reminders and will eventually receive a paper questionnaire.
- It doesn't matter which initial invitation you get or how you get it—we will follow up in person with all households that don't respond.

Start here OR go online at [url removed] to complete your 2020 Census questionnaire.

Use a blue or black pen.

Before you answer Question 1, count the people living in this house, apartment, or mobile home using our guidelines.

- Count all people, including babies, who live and sleep here most of the time.
- If no one lives and sleeps at this address most of the time, go online at [url removed] or call the number on page 8.

The census must also include people without a permanent place to live, so:

- If someone who does not have a permanent place to live is staying here on April 1, 2020, count that person.

The Census Bureau also conducts counts in institutions and other places, so:

- Do not count anyone living away from here, either at college or in the Armed Forces.
- Do not count anyone in a nursing home, jail, prison, detention facility, etc., on April 1, 2020.
- Leave these people off your questionnaire, even if they will return to live here after they leave college, the nursing home, the military, jail, etc. Otherwise, they may be counted twice.
