Historical Factors

+

Risk Abatement Actions

=

Florida Recovery Obligation Calculation Rating (F-ROC)

- Deobligations
- Fraud
- Bond Rating
- Budget Reserves
- Audit Findings (OIG, AG, etc.)
- Joint Legislative Audit Committee (JLAC) Findings

- Social Vulnerability
- Recovery Contractors
- Plans, Processes & Procedures
- Standardized Forms
- Insurance

- Immediate draw down of certain obligated funds
- Faster & better project development, scoping, and validation
- Fewer deobligations and receivables
- Fewer audit findings

Insurance

Is Self Insurance Right for You?

Consider:

- Repair & Replacement Costs
- Community Fiscal Capabilities
- Age & Condition of Public Resources
- Duplication of Benefits

Documentation

Maintaining current & accessible documentation of pre-storm conditions will speed up insurance claims and Public Assistance projects, meaning **more money** back to your community **more quickly**.
