

FLORIDA LEAGUE OF CITIES ANNOUNCES

GRANT ASSISTANCE PROGRAM

#FLCGrants

The Florida League of Cities is proud to partner with eCivis to provide FREE grant research and training opportunities as well as valuable cost savings and assistance with application writing and grant management to all FLC members.

FLC members can leverage the following benefits through this partnership with eCivis:

- ▶ Dedicated eCivis Florida Grant Coordinator with the sole function of assisting member cities.
- ▶ Access to the nation's largest professionally curated database of more than 9,000 federal, state and foundation grants that are tracked for new solicitation notifications.
- ▶ Access to a customizable search engine that allows for tagging of relevant grants so new or updated grant information can be sent to your designated staff person.
- ▶ Access to a library of previously awarded grant applications as examples.
- ▶ Access to pre-award management of application compliance, tracking and deadline notifications.
- ▶ Access to a grant writer network with pre-negotiated rates.
- ▶ Discounted post-award suite for improved collaboration, tracking and reporting.
- ▶ For current customers of eCivis: League price at the conclusion of the contract term.

What services can the eCivis Florida Grant Coordinator assist my city with?

- ▶ System training
- ▶ Grant research
- ▶ Grant policies
- ▶ Connecting with the FLC Grant Writers Network
- ▶ Reviewing additional eCivis services

To register your city for this program, please visit flcities.com/grants.
