

Certificate Program for Elected Municipal Officials

As a local elected official, you diligently serve your cities and residents while being faced with numerous challenges and navigating an ever-changing landscape of state and federal laws and regulations. To support your efforts, the **Florida League of Cities University (FLCU)** continues to offer a variety of in-person and virtual educational opportunities to help municipal officials learn about the latest issues, trends and best practices.

We know the time commitment and dedication you put toward training and continuing education, and we want to reward hardworking officials like you who take time out of their busy days to participate in these valuable programs!

The **FLC University** is launching a NEW program called the **Certificate Program for Elected Municipal Officials** to recognize elected officials who take part in the League's many training opportunities.

This new, multi-level certificate of achievement program will allow you to earn points for the activities in which you are already participating! You can earn or renew certificates annually based on a designated points system.

CERTIFICATE LEVELS

Level One:
Bronze Certificate of Merit – 10 points

Level Two:
Silver Certificate of Leadership – 20 points

Level Three:
Gold Certificate of Excellence – 30 points*

HOW DOES IT WORK?

- ▶ **Sign Up:** City officials sign up online using the FLC event registration system, at no cost, to pursue or renew certificates.
- ▶ **Attend Training Events:** League staff track each member's cumulative points through event registrations in our membership database. Points are accumulated from August (in conjunction with the FLC Annual Conference) through July of the following year.
- ▶ **Track Your Progress:** FLC staff will provide status reports quarterly.
- ▶ **Celebrate Your Achievement:** Each year, certificate recipients will receive a press release for their use and recognition in Quality Cities magazine and at the FLC Annual Conference.

SCAN TO SIGN UP

**Officials who have completed the Institute for Elected Municipal Officials (IEMO), IEMO II, and who earn their Gold Certificate only need to earn 15 points in subsequent years to retain the Gold Certificate.*

The following activities will count toward the certificate program on an annual basis:

Program/Event	Points per	Available
Online Orientation**	2	2
IEMO**	10	10
IEMO II**	10	10
State-Mandated 4-Hour Ethics	4	4
FLC webinars	1	16
Annual Conference participation	10	10
Legislative Conference participation	6	6
Legislative Action Days participation	4	4

***Points for these programs can be earned only once.*

HOW CAN I EARN MY CERTIFICATE?

Here are some examples of how you can reach levels of achievement by participating in FLC offerings throughout the year:

Silver Certificate of Leadership

- ▶ Attend Online Orientation (2 points)
