

2020 LEGISLATIVE ACTION DAY SCHEDULE

Florida League of Cities Youth Council Civic Education Day 1 Tuesday, February 11, 2020	
Time: 9:30 a.m. to 10:00 a.m.	Meet at the Florida League of Cities 301 S Bronough St, Tallahassee, FL 32301 (Located in Kleman Plaza, to the right of Harry's Seafood). Continental breakfast will be provided. <u>Introduction/Program Overview*</u> *Coordinators will have a separate training session led by Michelle Bono.
Time: 10:00 a.m. to 10:45 a.m.	<u>Can We Talk?</u> Given our highly polarized political climate, many are finding it difficult to have constructive conversations (through any medium) about policies and politics. Some avoid such conversations altogether to keep peace. Others only talk with those with whom they already know they agree, creating increasing lack of understanding of other points of view. Still others charge in, reveling in the conflict, creating chaos rather than conversation. We'll explore the forces driving this division, why it matters, and some approaches that may help us begin meaningful conversations.
Time: 10:45 a.m. to 12:00 p.m.	<u>World Café</u> Participants will experience a powerful method for getting past the superficial chaos of political and policy discourse, diving deep into dialogue that moves beyond scoring points to seeking insight and discovering possibilities to work together: the World Café.
Time: 12:00 p.m. to 1:00 p.m.	<u>Lunch</u> Moe's: Soft flour tortillas, ground beef, chicken, tofu, black beans, rice, grilled onions & peppers, shredded cheese, shredded lettuce, sour cream, guacamole, pico de gallo, chips & salsa.
Time: 1:00 p.m. to 2:00 p.m.	<u>Reaping the Harvest of the World Café</u> We'll share the fruits of our World Café conversations and discuss implications for our youth councils and their members.
